An anti-ragging cell has been set up in our college as per the order of the Supreme Court and UGC. The cell functions to look into the grievances lodged by any student. Students may approach the cell to voice their grievances regarding academic matters, health services, library and other services. Any form of discontent or dissatisfaction on the part of the students can be informed the cell. The grievance cell also looks into matters of harassment. Anyone with a genuine grievance may approach the coordinator or member of the cell. Grievances may also be sent through email or call to the coordinator of the students grievances cell. The cell then redresses the grievances promptly and judiciously. As a result of this mechanism, the institute has pleasant ambient atmosphere and good work culture with in-build goodwill and mutual understanding among the students.
